

INNOVATIONS IN BICYCLE TECHNOLOGY

- Select one of the following innovations in bicycle technology.
- Research the technological developments that enabled this innovation.
- Present your research as a section of an engineering report with the following subsections:
 - 1.1 Description of innovation
 - 1.2 Technological developments
 - 1.2.1 Materials
 - 1.2.2 Mechanics
 - 1.3 Impact of innovation
 - 1.3.1 Societal
 - 1.3.2 Environmental
